RULES GOVERNING EMPLOYMENT OF MEMBERS OF AMERICAN FEDERATION OF MUSICIANS LOCAL 500

- A. The wage scales, hours, working conditions, etc. stated herein shall apply to all services not performed under a collective Bargaining Agreement between a Purchaser and Local 500 or the AFM.
- B. The prices stated herein are the minimum prices for all services.
- C. The hours stated herein are the maximum (exclusive of overtime) and if less hours are utilized, no reduction in price shall be made.
- D. Intermissions to be scheduled by the Leader/Contractor with the Purchaser and shall be no less than 15 minutes per 2.5 hour service, 20 minutes per 3 hour service, and 10 minutes per hour for services 4 hours and longer. The break will occur no later than 90 minutes from the start of service.
- E. When engaging musicians, the contractor must give the following information:
 - 1. Date, Place, Hours and Type of service(s).
 - 2. Wages for the service(s). Expected total should show per service rate plus any applicable added fees or premiums (doubling, sound check, etc.)
 - 3. Inform of possibility of archival recording preferably at the time of hiring, but no later than 7 days prior to the first rehearsal.

- F. Changes to service times and locations must be announced to all the contracted players no less than 30 days in advance of the service or first service in a set of services. Any service that ends after the scheduled end time shall pay the unscheduled time according to the overtime scale as defined on the wage chart.
- G. No cancellation or postponement of any service(s) may be accepted by any contractor, unless acceptable to all musicians engaged or so specified in the contract. If services are added following the initially contracted services, musicians may not be dropped from the initial services due to conflicts with the additional performances. In this case the contractor may find a substitute for the service in question or where bringing in a musician for one service is not feasible, hire another player for all the services and pay the original player 50% of their original fee.
- H. Services of any type are NOT to be recorded, reproduced, or transmitted from the place of performance, in any manner or by any means whatsoever, in the absence of a specific written agreement between a Purchaser and the Local relating to and permitting such recording, reproduction or transmission. However, this restriction shall not apply when such recording, reproduction or transmission is made in the course of bona fide news coverage and no compensation is accorded directly to the Purchaser for such recording, reproduction or transmission. All recording is done under separate contract obtainable from the union.

An exception is for Archival recordings. Archival recordings may be made with no musician fee required for work sample and archival purposes only. Work sample use of any material featuring a soloist or small ensemble requires permission from the musicians. Complimentary Archival recordings will be made available to any participating musician upon request.

- I. All services should be performed under AFM approved contracts (L-1, L-2), which are available on our website www.afm500.org or fillable contract forms which include all of the language of the AFM contracts at http://www.afm.org/member/library/ click on single engagement contracts. NOTE: you must be a member of the AFM to access these forms.
- J. Every Contractor or Purchaser must pay the musicians employed, the amount(s) specified by this Price List or such greater amount(s) as may be agreed upon, within 8 days after date of service(s) or receipt of payment (except in the case of MPTF).
- K. Every member of this Local contracting any type of service shall, as far in advance of the date of service as possible, file written or email notice with the Local furnishing the following information:

 - 2. Date, Place, Hours and Type of service(s)
 - 3. Status of AFM membership
- L. A copy of the executed contract should be filed before 30 days before the engagement if possible or, following AFM bylaws Article 13 Section 32, at least within 5 days after the engagement.

- M. All contract information shall be considered confidential and this office shall not divulge any part of it except when offered as evidence before the Board of Directors or in court.
- N. The Contractor shall assume the responsibility of seeing to it that reasonable working conditions are afforded the musicians engaged for any and all services, i.e. ample room and lighting, reasonable temperature, safe storage for cases, coats, etc. and any other conditions necessary to exact a maximum performance quality. (Musicians will not be required to perform without adequate protection from the elements including direct sunlight, gusting or heavy winds, any form of precipitation, or when conditions might damage instruments or be dangerous or unhealthy to the players, or where temperatures fall below 62 F, or exceed 85 degrees F [indoor] and 92 degrees F [outdoors]. Musicians shall report perceived violations to the contractor immediately.)
- O. Members performing engagements in the jurisdiction of Local 500 shall pay to this Local, work dues in the amount of 1.2 % of scale set for said engagements.
